

INTRODUCING DRAGONWELL GREEN

For Immediate Press Release 08/01/2014:

SPARKS, NV: Davidson's brings you what is perhaps China's most famous tea! Often served to visiting heads of states, Dragonwell Green tea is known for its sweet and nutty taste. Grown high in the mountains near Hangzhou, this tea is still hand-picked and processed with delicate care as it was 1,500 years ago. In spring, the top two leaves of the plant are harvested and then pan fried and folded into its distinctive sword-like shape. Dragonwell Green tea brews into a jade green color, gives off a sweet aroma, and has a toasted chestnut-like aftertaste. Enjoy this refreshing tea in the morning or with any meal throughout the day. Available in our popular value package of Box 100 unwrapped filter bags without strings/tags as well as in our bulk loose leaf by the pound.

Davidson's Organic Teas is certified USDA Organic and free of pesticides, dairy, GMOs, and other non-permitted ingredients. Direct from family-owned gardens in India, through the Fair Trade-certified line to Nevada, Davidson's offers a wide variety of blends and traditional flavors in tea bags, loose leaf form, and iced tea. Davidson's is proud to share the benefit of drinking organic teas from its own tea gardens exclusively with the United States.
